Overwatch World Cup announced !

Report by Justin, Alban, Antonin L., Naël

Overwatch is a video game by Blizzard Entertainment. It's an FPS (first-person

shooter). You should buy this game.

In March, Overwatch World Cup announced. The World Cup is starting on November 3-4th at Anaheim, in California. The teams from different countries are fighting for win the competition and become the world champions. Viewers vote for their nation's representatives, who will select the strongest team from that nation. Just 32 nations are qualifying for this competition. Last year the South Korea won but in this competition there is any reward.

We are looking forward to November !
