● The best tennisman in the world

His name is Roger Federer, he is 29 years old and he's a tennisman. He has won sixteen grand chelem titles so far. He is one of the best tennis players in the world.

He is tall and well-built. He has brown eyes and short brown hair. His clothes are classical. He's ordinary and he has a big nose. He is also muscular.

He is patient because he gives time to journalists for interviews. For example, after a match, when he's interviewed by a journalist, he always answers.

In his free time, Roger Federer loves playing football or cards with his friends. He also likes sitting on the beach and he likes watching and playing cricket and tennis table.

All in all, I admire Roger Federer because he is a very good tennisman, probably one of the best the world has ever seen. He won 16 grand chelem titles, 5 master cup, 17 masters 1000, and he also won a gold medal in double with Stanislas Wawrinka at the olympic games in Pekin in 2008.
