

Here in this place

Iko / Marc Collin / Paul et Louise

D'après le "choeur des sauvages" des Indes galantes de Jean-Philippe Rameau

[Refrain]

Here, in this place I rest on, Here, in this place I rest on,
I feel so ca-a-alm there's nothing to hide
Breathing the air we rely on, Breathing the air we rely on
That peace, Where nothing ever die-ie-ies inside

} X2

Don't forget your story, don't forget your name
Can you stand that ga-a-ame you're about to play?

When you say glory, when you say fame.
In the middle of nowhere you're gonna stay

[Refrain]

When you say glory, when you say fame.
In the middle of nowhere you're gonna stay

Dear! Dear! That's not the way! As tears go by, we'll have to pray.

Dear! Dear! That's not the way! As tears go by, we'll have to pray. we'll have to pray.
